Analysis of feedback on curriculum

Session:16-17

The college constantly interacts with various stakeholders such as alumni, industry, employers, research agencies, parents, faculties, students etc from time to time on various points like curriculum, infrastructure, support facilities, academic improvement etc, to ensure efficacy. College collects feedback from industry regarding the present curriculum and how it is going to help students to become employable. Proper analysis of feedback is ensured. Being an affiliated college, such feedbacks are forwarded to Board of Studies of respective subjects in affiliating University. Here, we are pleased to inform that most of the feedbacks are either implemented or are under process. Based on the above feedback, college also ensures to provide certain 'Short Term Certificate' and 'Value Added Courses' to add value to the knowledge of students, IIT Mumbai Spoken Tutorial is one of them. Suggestions related to institutional progress after feedback analysis are discussed in meeting of IQAC held from time to time and appropriate action is taken.

❖ Feedback on Curriculum:

1. **Students:** Majority of students were satisfied with the curriculum. Most of the students expressed that curriculum is supported by guest lectures, visits and short term certificate courses which favors employability. They suggested more number of guest lectures and short term certificate courses should be added in the curriculum.
2. **Alumni:** Most of the alumnis' were satisfied with the curriculum. According to alumni co-curricular activities are completely relevant to support curriculum and also groom the students personality. They suggested more number of cultural activities at intercollegiate city and state level should be held to give more exposure to students.
3. **Parents:** Parents rated the syllabus to be very good and co-curricular activities as excellent.
4. **Faculties:** Faculties agreed with the syllabus being relevant enough to support the changing scenario but suggested for inclusion of more practicals in accordance with the demands of the changing times.
5. **Employers:** Employers were satisfied with the curriculum as they found students with good knowledge of subject, practical knowledge and communication skills whom they employed. They suggested more practical exposure to be imparted in order to face analytical world of industry.
