### Analysis of feedback on curriculum

Session: 17-18

The college constantly interacts with various stakeholders such as alumni, industry, employers, research agencies, parents, faculties, students etc from time to time on various points like curriculum, infrastructure, support facilities, academic improvement etc, to ensure efficacy. College collects feedback from industry about the level to which the present curriculum is going to help a student become employable. Proper analysis of feedback is done. Being an affiliated college, such feedbacks are forwarded to Board of Studies of respective subject in affiliating University. Here we are pleased to inform that most of the feedbacks are either implemented or are under process. Based on the above feedback, college also ensures to provide certain 'Short Term Certificate' and 'Value Added Courses' to add value to the knowledge of students, IIT Mumbai Spoken Tutorial is one of them. Suggestions related to institutional progress after feedback analysis are discussed in meeting of IQAC held from time to time and appropriate action is taken.

#### ❖ Feedback on Curriculum:

1. **Students:** Majority of students (approx 58%) rated the curriculum as excellent. Most of the students expressed that curriculum is supported by guest lectures, visits and short term certificate courses which supports employability. They suggested to conduct expert lectures for preparation of competitive examinations and advancement of laboratory.
2. **Alumni:** 90% alumnis' opinion about curriculum is positive. According to alumni co-curricular activities are in complete relevance and enhanced their personality and employability.
3. **Parents:** Most of the parents agreed that syllabus is well-suited according to the current scenario. Co-curricular activities will definitely help their wards to develop skills needed for interviews and make them employable.
4. **Faculties:** Faculties agreed with relevance of syllabus as per the need of changing status of education but suggested few inclusions specially practical in accordance with the theory or some new emerging topics in the syllabus for better understanding and up to date knowledge of subject.
5. **Employers:** Employers elicited their satisfaction with the curriculum as students whom they have employed had a good knowledge of subject and communication power. They gave their opinion regarding improvement in practical skills and more practicals should be included in curriculum and more exposure to communication skills for interview.
