Career College Bhopal
Analysis of feedback on curriculum
Session: 2021-22

The college strictly follows its policy of collecting feedback (preferably online) with various stakeholders such as alumni, industry, employers, research agencies, parents, faculty members and students to identify areas of improvement in curriculum, infrastructure, support facilities, academic etc. The feedback from industry was also collected to test the employability skills of delivered curriculum and the strategies. Feedback was analyzed and compiled suggestions regarding curriculum were forwarded to Board of Studies, Barkatullah University of respective subjects. To a profound pleasure, feedbacks were given due consideration and implemented as far as possible. Based on the above feedback, college always ensures to provide certain 'Short Term Certificate Course' and 'Value Added Courses' to impart value and add skills to the existing knowledge of students, IIT Bombay Spoken Tutorial, IGNOU, courses from NSQF, SWAYAM NPTEL were some of them. Suggestions after feedback analysis were discussed in meeting of IQAC held and appropriate action was taken for institutional progress.

❖ **Feedback on Curriculum:**

1. **Students:** Majority of the students found the curriculum up-to-the mark in relevance to global educational needs. They found guest lectures, industrial visits and short-term certificate courses as an enriched learning tool supplementing the existing curriculum to enhance employability. They suggested to conduct more internships/ trainings/and hands-on exercises for better understanding of the practical oriented subjects.

2. **Alumni:** Alumni were of opinion that although the curriculum is meeting global demands but need to be more employable and must be associated with direct placement strategies. According to alumni, co-curricular activities were par excellence and in complete relevance to continue uninterrupted learning and enhanced their personality and employability.
3. **Parents:** Parents were highly satisfied with the curriculum content and delivery. They appreciated co-curricular activities conducted quite unique for developing practical, vocational and employability skills.
4. **Faculty Members:** Faculty members considered the syllabus relevant with changing status of education but suggested inclusion of practical in accordance with the theory or some new emerging topics in the syllabi for better understanding and coordination with subject choices as per NEP-2020.
5. **Employers :** Employers elicited their contentment with the curriculum and the deliver. Students whom they employed had a good knowledge of subject. They just opined to expand practical skills in curriculum and more exposure to communication skills including non-verbal for effective presentations while interview.

To,
The Chairman
Board of Studies
Faculty of Sciences
Barkatullah University, Bhopal

Sub: Suggestions on Curriculum

Barkatullah University has a well-organized syllabus but still chances of incorporation of certain topics are there which not only enhance the quality of teaching but also give better opportunities of employment in industries and increase the scope for research and development. Thus, we the Department of Chemistry, Career College, Bhopal request you to kindly consider and incorporate following changes in the current syllabus if possible. The suggestions are as follows:

1. Practical related to optional papers (PG) must also be included as well all must be in relevance to theory taught in particular year or semester to understand the topic more easily and interestingly.
2. M.Sc. IV semester must have dissertation of six months compulsorily to imbibe them with research aptitude.
3. Physical Chemistry (PG) practical should be revised for more emphasis.
4. New spectroscopic techniques must be included in theory.
5. B.Sc. I and II year syllabus is almost same as class XII syllabus; it must be updated to make it interesting.
6. Analytical Chemistry and Green Chemistry must be included as compulsory paper as it is very important from research point of view.
7. NEP Syllabus need to be refined in lieu of the subject authenticity that is there must be a mandate subject group along with optional or vocational subject for proper learning.

Sub: Incorporating suggestions of faculty members and students in Syllabus

Dear Sir,

As per instructions of NAAC Bangalore our feedback mechanism regarding curriculum has been designed. Some suggestions regarding curriculum improvement have been received from our faculty members, students and alumni. Keeping in mind today's need, it will be highly beneficial to incorporate these suggestions in the upcoming syllabus. These suggestions are enclosed along with this letter. We would be obliged for the same.

Thanking you in anticipation.

Yours Truly
