

STUDENT REPRESENTATIVES

The college guarantees students the rightful participation in decision making and governance by implementing student representatives in various cells and committees. The cells and committees along with the Departments organize diverse activities for the holistic development of the students. The college administration under the aegis of IQAC nominates student representatives for various cells and committees like Literary Cell, Training and Placement Cell, Green Cluster Cell, Cultural Committee, Research and Development Cell, IPR cell, Women Empowerment cell, NCC, NSS, Sports Cell, Personality Assessment and Development Cell, Alumni Cell etc as recommended by the Heads of various departments. Student involvement is there all through the year in major decision making under the Internal Quality Assurance Cell of Career College, Bhopal. The student representatives serve as a link between students and college to collect and disseminate information. They represent their departments at various levels and facilitated administrative, academic, co-curricular and extra-curricular activities of the college. They are involved in coordinating and organizing various activities, special day's celebration and competitions like poster competition, speech competition, quiz competitions, annual function, Conferences, Seminars, Workshops etc.

The student representatives coordinate with conveners and teacher coordinators in the generation of new ideas and methods for organizing various events. Student coordinators participate in planning events and their suggestions are considered in the decision-making process. They in turn share and delegate the responsibility with other student volunteers in the committee. Meaningful involvement of the students as systemic decision-making members has always enabled overall quality improvement of the college.

Few events in which student representatives have contributed are as follows:

IQAC meeting with student representatives

Teachers with Volunteers in District level Digital Discipline activity/competitions

Student volunteers/representatives in organizing National Conference and Workshop

Student volunteers/representatives in organizing Alumni Meet (COSA)

Student volunteers/representatives in organizing Health Checkup Camp

Student members of the organizing team in International Conference organized at Career College, Bhopal
