

## **IQAC Annual Report 2021-22**

Career Group of Institutions under the aegis of Career Society for the past 53 years has been meaningfully engaging itself in molding the career of not only students but also of the future society. The college is affiliated to Barkatullah University, Bhopal and accredited A+ Grade in its third cycle by National Assessment and Accreditation Council (NAAC), Bengaluru. Career College has been conducting professionally recognized career-oriented courses in emerging fields of Commerce and Management, Computers, Biotechnology, Microbiology, Biochemistry, Botany, Chemistry, Zoology, Library and Information sciences, humanities, Paramedical, Law and Nursing, with a firm commitment to academic excellence for career achievements, a head start on the track to success through pragmatic approaches.

The academic session 2021-22 witnessed some of our great achievements and activities in academic and non-academic arenas and by maintaining the legacy of excellence, I am very glad and proud to announce that this year we have 27 merit holders from our college in Barkatullah University. Mr. Neelesh Gupta of B. Sc. (Maths) was the Gold Medallist in University Merit in the year 2020.

In the last year we had 19 students and before that we had 19 stars students in the University merit list. Our college management has been providing motivation and encouragement to meritorious students by providing up to 99% scholarships and cash awards.

## **Student Achievements**

1. Ms. Shivani Namdev won 1<sup>st</sup> prize in Youth Fest (intercollegiate) Folk Dance Competition-2022
2. Ms. Sakshi Vishwakarma, won 1<sup>st</sup> prize in Youth Fest (intercollegiate) Folk Dance Competition-2022
3. Mr. Arvind Raghuvanshi, won 1<sup>st</sup> prize in Youth Fest (intercollegiate) Folk Dance Competition-2022
4. Ms. Shivani Namdev won 3<sup>rd</sup> prize in Youth Fest (inter-district) Folk Dance Competition-2022
5. Ms. Sakshi Vishwakarma won 3<sup>rd</sup> prize in Youth Fest (inter-district) Folk Dance Competition-2022
6. Mr. Arvind Raghuvanshi won 3<sup>rd</sup> prize in Youth Fest (inter-district) Folk Dance Competition-2022
7. Ms. Stuti Shukla, Ms. Jyoti Verma, Mr. Sachin Bhargava presented research paper in an International Conference, Advanced Research Strategies for Sustainable Development, on 4<sup>th</sup> June 22
8. Ms. Jyoti Verma presented her idea in International Social Business Design and Social Fiction Design Competition with YSBC Bangladesh and 3ZERO Club YY Ventures, Bangladesh on 23<sup>rd</sup> Mar 22
9. Ms. Stuti Shukla and Ms. Sonam Vishwakarma presented at SNGGPGC, Bhopal on 30<sup>th</sup> Nov 21
10. Deepika Gour achieved 3<sup>rd</sup> Rank in University Merit List

## **International and National Webinar**

We build Careerites who are professionally enriched, socially responsible, bear high moral values, emotionally stable and always dedicated to serve the country for excellence in various fields. Hence, we keep on skilling our students through exposure to national and international platforms

- IQAC cell hosted a National Webinar on “Quality Initiatives in Higher Education through Teaching, Learning, Research, Innovation and Outcome based Programs” in collaboration with UGC on 26<sup>th</sup> June 2021. More than 500 participants attended the webinar from all over the country.
- An International Webinar on “Avenues on Research and Covid” was organized by Department of Chemistry. The resource persons were Dr. Ulrich Berk from German Homotherapy Association, Germany and Dr. Indira Ghosh, Rtd. Professor, JNU.
- International Webinar cum World Environment Awareness Week on “Environmentally Benign Technologies: An Urge for Sustenance” was organized by Department of Chemistry in association with ACT (Association of Chemistry Teachers) from 07/06/2021-12/06/2021, Resource persons were Muthupandian Ashok Kumar, Deputy Vice Chancellor, University of Melbourne, Australia and by Dr. Sameer Sapra, Professor, Department of Chemistry, Indian Institute of Technology.
- International Webinar on ‘Social Business Design Competition and Social Fiction Design Competition cum Mentorship Program’ was organized on 23 Mar 2022. A galaxy of intellectual Speakers viz., Dr. Enrica Testi, Executive Director, ARCO (Action Research for CO-development), Director, Yunus Social Business Centre University of Florence, Mostafezur Rahaman, Representative, 3Z Global Centre, Maisha Ahmed, Deputy Program Manager, YY Ventures, Biswajit Ghosh, COO, Rotary India Literacy Mission, Yunus Social Business Centre University of Florence, YSBC, 3Z Global Centre, Bangladesh, Rotary India Literacy Mission gave deep insights into social business.

- Seminar on “Expand Beyond Horizon of Learning” was organized by Department of Chemistry on 10 Jun 2022. Dr. Rakshhit Aameta, Director, Faculty of Science, JRN, Rajasthan Vidyapeeth, Udaipur, Rajasthan inspired students for inner strength and well-being through his worthy deliberation
- An international conference on “Advanced Research Strategies for Sustainable Development” was organized by Department of Chemistry on 3<sup>rd</sup> and 4<sup>th</sup> June 2022 in collaboration with Research Foundation of India, Association of Chemistry Teachers, TIFR, Mumbai. The conference was sponsored by HERF, WFST, ARGA. Research Dignitaries from the globe has joined and around 50 scholars have presented their papers. Eminent Speakers from India and Abroad have enriched the audience with their mesmerizing deliberations.
- A Research Webinar on, “Recent Advances in Field of Chemical Sciences for Sustainable Tomorrow” was organized by Department of Chemistry on 14 June 2022 in chairmanship of Dr. C S Goswami, Retd. Principal, Govt. MLB, Girls College, Bhopal to encourage PG students towards research.
- One Day National Webinar on IPR in Green Technologies for Climate Change Mitigation” was organized by Department of Botany, Career College on 4/12/21. Resource Person of the webinar was Dr. Rosmy Joan Assistant Professor National Law University Jodhpur”.
- National Webinar on, “Systematic Approach for Publishing High Impacted Research, indexing and Citations was organized on 8 Jan 2022. The resource speaker was Dr. A V Senthil Kumar, Prof. & Director, Hindustan College of Arts and Science, Tamil Nadu.
- National Webinar was organized to commemorate National Science Day on 28 Feb 2022 in collaboration with Association of Chemistry Teachers’

Mumbai and Nutrition Society of India. Dr. Amrit Krishna Mitra, Head Department of Chemistry, General Degree College, Singur, Hoogly, West Bengal; Dr. Harikiran Bains, Professor, IGNOU; Dr. Brijesh Pare, President, Association of Chemistry Teacher's@TIFR, Mumbai and Dr. Neerja Lalan Rtd Chief Technical officer, Nutrition Society of India served as Resource Persons

- Symposium on the topic-"Microbes: Transformers of the future world
- Webinar on Vulnerable diseases and COVID-19: Awareness and Remedy
- Interactive seminar on Control and Management of Communicable diseases
- An International Webinar on the topic "AAROGYAM: Illness to Wellness was organized by department of Biotechnology and Biochemistry.
- Webinar on 'Probiotics: Health Benefits and Applications for Developing Healthier Foods' was organized by Department of Botany.
- International Webinar on Healing Microbes: Probiotics and DNA life and Human diseases were organized by Department of Microbiology, speakers were Dr. Himanshu Kumar Prasad, Holland, Dr. Chitra Thakur, USA, Ms. Maryada Bohra, Cork University, Ireland.
- National Webinar on Role of Microbes in Liquor Industry and Impact of microbial variability on food safety and Quality were also organized by Department of Microbiology.
- A Webinar on "IT literacy through Free Open-Source Software (FOSS) was organized by Computer Science department.

### **Workshops/trainings**

- Solar ambassador workshop in collaboration with Energy Swaraj foundation
- Histopathology Technique
- Innovations in Fermented Food

- Python Programming Language
- workshop on OSLS
- Web Page design & Graphical Design
- Workshop on Digital and 3 D Textile Printing Technology
- Hands on training on Life Saving: First Aid techniques
- National Workshop on Next Generation Sequencing in association with Premas Life Sciences, Mumbai and so many other workshops were conducted by different departments.
- **Short Term Certificate Course:**
- Short Term Certificate Course on “Rational Design, Solution Synthesis and Characterization of Photo-luminescent Ink” was organized from 7 -12 Mar 2022. Dr. Sudeshna Ray, Center Director, Advanced Material Research Center, Advanced Material Research Center, RNTU gave all minute details into the topic and help students synthesize the material.
- Short Term Certificate Course from IIT Bombay
- M.Sc. Students got enrolled for Short-Term Certificate Course on computer assisted drug designing

### **IPR Awareness:**

We are always a step forward to keep in tune with all national initiatives. National IPR Policy has also been keenly concentrated to give boost to creativity & innovation, to build competitiveness and thus contribute to scientific and economic growth of nation. Covid was unable to limit our performance in this regard and we continue with our spirit and would not be a superlative if we say we led in our city by organizing more than 20 programs in the session 2020-21, such as national workshop on “Conceptual Issues, Challenges, Procedure and Importance of IPR and Copyright, Intellectual Property Rights (IPR) & Patent process, ‘IPR in

Biodiversity’ under Theophrastus Lecture Series. “Basic Concept of IPR”, Intellectual property Rights: Its Fair use for Teachers and Students and many more. Lecture on IPR and patenting for Biological products, Guest lecture on IPR issues in Microbiology

**SPACE:**

Regressive societal and community issues such as child abuse, drug addiction, sexual abuse, gender discrimination, use of polythene, menstrual and menopause challenges, sanitization issues, road safety, fire safety, health ignorance etc. are our foremost concern to mark the presence of institute and make our students responsible citizens. Therefore, we encourage co-curricular activities under **SPACE** (Sensitization Program against Community Evils) to raise their voice against such social or community evils/taboo and make our students a responsible citizen who are socially responsible. To mention a few, we organize

- Gender: Beyond the Boundaries on 03 Mar 2022. Ms. Kumud Singh, Secretary Sarokar NGO graced as Resource Speaker.
- Health awareness activity at Ekta Nagar Basti in collaboration with Nidaan Seva Samiti, Mask and sanitization distribution, Fund raising for girl child, Environmental Awareness cum Gender Sensitization Programme on Journey of Junglewase-Women Made Jungle was organized by Department of Botany, Career College on 11<sup>th</sup> March 22. Resource Person of the Programme was Dr Sakshi Bhardwaj Founder-Jungle wase. Women Health and Hygiene awareness program
- Gender sensitization cum awareness workshop with Nidaan seva samiti (NGO), The clothes donation, book donation, activities for differently abled children in association with NSS unit, Nitya Ananta Welfare Society, Bhopal and Blind Cricket Association. These activities help us to groom our

students into a committed and socially responsible citizen who can feel pain of underserved and can raise them to higher standards.

- An awareness program on the need of getting Vaccinated against Covid 19 was organized on 04 Oct 2021 at Anna Nagar Slum Area
- Awareness Campaign on precautions against Covid 19 was organized on 08 Oct 2021 at Anna Nagar Slum Area
- ISR activity to spread awareness amongst children and women in the Anna Nagar slum area against Covid 19 was organized on 08 Dec 2021
- Kanya Bhoj and Awareness Program for Hygiene and Sports on 9<sup>th</sup> April 22

### **Placement and Entrepreneurship Development:**

We have very proactive Training and Placement cell which not only provide job but also provide professional trainings to equip them to face the ground of reality with ease. This year 75 renowned companies like L&T, TCS, Lupin laboratories, Food corporation of India, ICCICI bank, Indian Army, Pukhraj healthcare, Symbiotic Pharmaceuticals Pvt. Ltd, CFTRI, visited to our campus and more than 55 gems were studded in their organizations with package offered around 10 lakhs. We have an Entrepreneurship Development Cell to focus on variety of entrepreneurial skills to develop soft skills start- up knowledge, business strategies, financial awareness and managerial literacy, so that our stars shine at global sky of various renowned institutes or organizations. To keep pace with our vision, a few to mention here are-

- A webinar on “Career Prospects with NHS-UK for Paramedics”
- Short Term Certificate Course Open Sources Library Software’s, “SOUL 3.0 Version & N-List, Library Routine and Technical Work”

- Banking & Finance (CPBFI) under the collaboration of Bajaj Finserv, Bhopal, M.P. “PAN CARD, ITR & GST FILING System” with Institute of Company Secretary of India, Bhopal Chapter (ICSI).
- “Eco-Friendly Ganesha under the theme "Vocal for Local" along with ‘Environmental Planning & Coordination Organization (EPCO), Bhopal
- Certificate programme on “Office Automation” under the UCG- NSQF and “NGO Management”.
- Value Added Certificate Course on ‘Qualitative and Quantitative Estimation of Plant Secondary Metabolites’
- Entrepreneurship Development Program, with EDIC, “Fermentation Technology”
- EXOTICA- Formulation of Herbal Products, "Entrepreneurship Skills for Youngsters in Digital World"
- Short-term certificate Course on QSAR and drug designing (Approaches & Applications) in association with Buxani, University of Virgin Island, USA

### **Guest Lectures**

To infuse with the hues of different personality traits and human values as well to supplement curriculum, guest lectures were regularly organized by our different departments and cells such as guest lecture on

- Role of Scientists in Struggle for Freedom
- Bryophyte Diversity and Conservation with Reference to Climate Change
- Realize Your Dreams by Cracking Competitive Exams
- Food Safety and Hygiene
- Water Sanitation and Hygiene
- Career Prospects post Pandemic (Virtual)
- Career Awareness in CS Profession

- Concepts of Bioenergetics, effective Research Paper Writing
- Spectroscopy and its Applications
- Quantum Mechanics
- Social Media Crimes and Securities
- Importance of Human Values and Professional Ethics in Higher Education
- Rheumatological Disease and Investigations
- Blood Bank
- Carbon marketing
- Role of youth towards society
- Time management
- Skill Requisites for Job Prospects
- Youth & Spirituality
- Consumer Rights
- Stress Among Students
- Basics of Research Methodology.
- Advanced Instrumentation and Preservation Techniques
- Nursery Development, Management and Propagation Techniques
- Training Program on ITR, PAN CARD AND GST
- Value Added Certificate Course on Qualitative and Quantitative Estimation of Plant Secondary Metabolites

The Personal assessment and development cell of our college conducts Regular English Communication skill Classes, Regular Personal counselling sessions by trained counselor.

### **Women Empowerment:**

We believe that empowering women is empowering society and hence the entire nation. So, to promote women's worthiness, to make them determined to put their

own view point and to inspire change in society, number of activities are organized through women empowerment cell throughout the year collaborating with NGOs' and social reformers. Doodle competition was organized on Contribution of women in science, we did an online Survey on women rights, gender equity program, awareness program on women Health and hygiene with special reference to PCOD, menstrual health etc. and in addition every year we organize women's day with full zeal and enthusiasm.

### **Educational Tours**

Making our students globally relevant is the need of the hour and together with academics we make sure that our students understand the professional world, for this every year we organize educational and industrial visits at regular intervals. But due to pandemic session 2020-21 witnessed virtual tours to different industries such as Kurusimala Dairy Farm, Kerala, training on Microbiological staining techniques and water quality analysis, virtual blood bank visit to Red Cross Bhopal. BPCL LPG gas bottling plant, Top N Town, Jawaharlal Nehru Cancer Hospital, Bionutrients Pvt. Ltd, Mandideep, Central Silk Board, Dept. Of Sericulture Malakhedi, Hoshangabad, Income Tax Dept., Bhopal MP.

### **Commemorative Days:**

At our institute, we celebrate many days to infuse social, international, economic, festive, national values.

In due course of celebration, we celebrated, Heart Day, National Science Day, world disability day, world food safety Day, International yoga day, World Organ Donation Day with Career Institute of Medical Sciences. Management Day, Dr. Raganathan Jayanti and Library Day, World Hepatitis Day, World Literacy Day, Environment Day, Earth Day, Global handwashing Day, Hygiene day, World Tuberculosis Day. Birth Anniversary of Dr. P.C. Ray, Ozone Layer Preservation Day, Human Rights Day, Republic Day, Independence Day, Women's Day,

Ambedkar Jayanti, Gandhi Jayanti etc. are a few towards creating respect and infuse national values.

### **Environmental Sustenance**

Another very active cell of our college is the green cluster which deliberates for the conservation of environment. We at our institution, are highly concerned about the environmental welfare and implement various measures such as sapling and Seed Ball Distribution, we have distributed seed balls to all the visitors, various schools, students, NGOs' to aware them towards plantations and environmental conservation, plantation programme with CPA, NCC/NSS, plantation week, Swachh Bharat Abhiyan, Hariyali Mahotsav and many such initiatives to promote environment conservation. We collect e-waste and dispose off every year to concerned authorized disposal agency Unique Eco recycle lab. In addition, we use solar energy and conserve it too in form of electrical energy. Every year we also perform environment and green audit. Career College has received the Environment Ambassador award by Govt. of Madhya Pradesh for our noble initiatives towards environment.

### **NSS/NCC-**

The College has an NSS unit of around 100 social workers who are regularly involved in activities like blood donations, plantations, Road safety activities, literacy awareness and many more. It also has an NCC troop comprising of 53 cadets both girls and boys.

**Sports:** The College follows the sports calendar of higher education dept. and Barkatullah University. Covid 19 has limited us for outdoor sports meet although our sport stars have participated in various sport events and brought laurel to the college.

### **Library:**

The Career College library acts as the fulcrum of support to the academic activities of the college. There are total of 24685 books, 9346 Law and 3583 Nursing Books together with 100 Journals, 24 Magazines.

### **MoUs:**

The College has created MoUs and linkages with renowned International Universities like Deakin University Australia, Harvard University. We have also established MoU with Younus Social Business Centre (YSBC) for social business initiative to pull up the underserved and enhance and imbibe them with employment skills. In addition, we have MoUs with other partners like German Association of Homa Therapy, Germany, CJ Gelatin, Lupin Laboratories, IIT Bombay. Core IIT solutions, Go Daddy, Tathya Forensic, IES University, RTM University, Nagpur and have around 100 linkages including national and International organizations/ Research labs and industries.

Besides all these achievements, the college is been providing regular Spoken tutorial courses by IIT Bombay IIT Bombay has designated Career College as Super Resource Centre to promote IT literacy in India., ERP-TALLY by NIIT, NPTEL, Swayam, and other renowned international platforms has also been introduced such as coursera for enriching international skills. We have also been accorded as the study centre for IGNOU course.

Our students this year have qualified in competitive exams from various dept like Law, Commerce, Chemistry, Biotechnology, and Microbiology in exams like Civil Judge, CA, GATE, MAT, SET, IELTS, NET etc.

### **Faculty Achievements:**

Our teachers are always setting high standards and serving as role model for their students by the accolades earned. To mention some recent accolades here-

- Dr. Ruchi Dubey Sharma and Dr. Anita Singh from Department of Chemistry have 1 grant patent each to their credit.

- Dr. Gurusharan Kaur has patented her work titled “Tribological Processed Solid Super Lubricity Carbon-Based Drills under Australian Government-IP Australia on 21-Aug-20.
- Dr. Reena Antony of Microbiology Department Invited as speaker at Govt. Sahganj College Sehore on NAAC Guidelines under UGC PARAMARSH Scheme.
- Dr, Bhupendra Prasad of Microbiology Department Deputed as Review Member in Journal of Emerging Technologies and Innovative Research.
- Dr. Jaswinder Mehta from Department of Botany Invited as Resource person in National Webinar on Criterion I organised by state Level NAAC Cell, Department of Higher Education Govt. of M.P.
- Dr. Preeti Chandurkar of Biotechnology Department has been deputed as a Convenor of Nutrition Society of India, Bhopal Chapter.
- Dr. Ruchi Dubey Sharma acted as keynote speaker in SAGE University Bhopal, IES University, Bhopal, University of Engineering and Technology, Bikaner Technical University, Bikaner, Rajasthan, NRI Group of Institutions.
- Dr. Anita Singh acted as keynote speaker in Saifia College, Bhopal and Khalsa College for Women College, Ludhiana.
- Most of the faculty members have been shortlisted and completed successfully the Faculty Development Program conducted by Higher Education, M.P for development of E content.
- Dr. Suparna Ghosh, Dr. Shweta Sharma, Dr. Anita K., Dr. Ruchi Dubey Sharma and Anita Singh became life members of Association of Chemistry Teachers.

- Dr. Ruchi Dubey Sharma, Dr. Suparna Ghosh, Dr. Shweta Sharma, Dr. Anita K and Dr. Anita Singh, Dr. Reena Antony published a chapter in the book @Taylor & Francis.
- Dr. Anjali Choudhary from Department of Biotechnology has appointed as a resource person in Higher education NAAC and Sant Hirdaram College, Bhopal
- Dr. Ruchi Dubey Sharma, Dr. Suparna Ghosh, Dr. Shweta Sharma, Dr. Anita K and Dr. Anita Singh published a chapter in the book Immunity Boosters of Medicinal Plants @ Blue Rose Publisher.
- Dr. Anjali Choudhary of Biotechnology Department Invited as resource person for conducting FDP on NAAC Guidelines under UGC PARAMARSH Scheme. at Govt. College Sarni.
- Dr. Anjali Choudhary, Dr. Nidhi Tripathi and Dr. Preeti Chandurkar of Biotechnology and Biochemistry Department were Invited as a speaker at Govt. College Sarni under UGC PARAMARSH Scheme.
- Dr. Shweta Sharma and Dr. Anita Singh acted as evaluators in National Children Science Congress at Sam Global University, Bhopal.
- Dr. Priyanka Kurup, Dr. Neetu Sharma and Ms. Shreedevi Nair from Department of Commerce and Management were Invited as a speaker at Govt. College Sarni under UGC PARAMARSH Scheme.
- Dr. Suparna Ghosh, Dr. Shweta Sharma, Dr. Anita K and Dr. Ruchi Dubey Sharma, Dr. Sanjeev Gour and Dr. Jayanti Jhariya were appointed as approved supervisors by Barkatullah University, Bhopal
- Dr. Ruchi Dubey Sharma, Dr. Anita Singh and Dr. Shweta Sharma acted as Reviewer in Journals @ Elsevier

- Dr. Suparna Ghosh and Dr. Ruchi Dubey Sharma of Chemistry Department were Invited as resource person for conducting FDP on NAAC Guidelines under UGC PARAMARSH Scheme. at Govt. College Dobi.
- Dr. Ruchi Dubey Sharma published paper entitled, "An Improved Simple, Robust, Cheap, Potential Diagnostic Device for Lead (II),in Indian Journal of Chemistry-A, SCI journal with impact factor, 1.06 in Jan 21
- Dr. Shweta Sharma published a paper entitled, "In Silico Modeling of Some HEPT Analogues as Anti -HIV Agents Using QSAR and Molecular Docking Studies" in Materials Today:Proceedings@Elsevier, SCI Journal with impact factor, 1.3 in Mar 21
- Shweta Sharma, Suparna Ghosh, Ruchi Dubey Sharma published a paper entitled, “आधुनिकपरिवेशमुझेकंप्यूटरएडेडड्रगडिजाइनकीभूमिका”in Vigyan Garima Sindhu, a UGC Journal in Jan-Mar, 2021
- Dr. Suparna Ghosh received “Teacher Excellence Award” by Dainik Bhaskar, 21 Sep 2021
- Dr. Ruchi Dubey Sharma received "Honorary Rosalind Fellowship, London Journals Press, Membership ID, #ND68610" by Editorial Board of London Journal Press on 31st July 2021
- Dr. Anita Singh granted Australian Patent Granted in Apr-22
- Dr. Suparna Ghosh developed E-content and lecture video for B. Sc. I year paper 1, Fundamentals of Chemistry, module 1.1 under NEP for Department of Higher Education, Govt. of MP in Nov 21
- Dr. Shweta Sharma developed E-content and lecture videos for B. Sc. I year paper 1, Biochemistry, module 4.1 and 4.2 under NEP for Department of Higher Education, Govt. of MP in Nov 21

- Dr. Ruchi Dubey Sharma developed E-content and lecture videos for B. Sc. I year paper 1 and 2, Industrial Chemistry, module 5.2 and 5.4 under NEP for Department of Higher Education, Govt. of MP in Oct 21
- Dr. Anita Singh developed E-content and lecture videos for B. Sc. I year Paper I, Fundamentals of Chemistry, under NEP for Department of Higher Education, Govt. of MP in Nov 21
- Dr. Suparna Ghosh served as external examiner for Institute for Higher Education in Excellence
- Dr. Suparna Ghosh served as evaluator and paper setter for MLB College, Bhopal, Govt. College, Sagar and University Institute of Technology, Barkatullah University, Bhopal
- Dr. Shweta Sharma served as paper setter, evaluator and external examiner for MLB Girls College, Bhopal
- Dr. Anita K served as paper setter, evaluator for MLB Girls College, Bhopal and Sathya Sai College, Bhopal
- Dr. Ruchi Dubey Sharma served as external examiner for LNCT, IES and SAGE University, Bhopal
- Dr. Ruchi Dubey Sharma served as paper setter, evaluator for Sathya Sai College, Bhopal, Institute of Higher Education for Excellence, Bhopal, SAGE University and University Institute of Technology, Barkatullah University, Bhopal
- Dr. Anita Singh served as external examiner for Saifia Science College, Bhopal
- Dr. Suparna Ghosh, Dr. Shweta Sharma, Dr. Anita K, Dr. Ruchi Dubey Sharma, and Dr. Anita Singh took life membership of Association of Chemistry Teacher's@TIFR, Mumbai

- Nearly each and every teacher has served as resource person to serve the academic fraternity in one and the other way. There is an unending list of accolades to display proving the strength and potential of our teachers and students.

The vision of our respected Chairman Shri. Vishnu Rajoria remains always engraved in our minds and his blessings and guidance have paved the golden road map of imparting quality education, fruits of which has been our student achievements and placements. We feel privileged and blessed by his continuous and proactive presence always. We thank our management, teachers and entire staff for their tireless efforts which has enabled the college to come this far. We extend our heartfelt thanks to the parents of our students who have shown unflinching faith in us.

With that let us foresee a world of universal singularity where our students are going to be the propellant of this change and the world shall be a beautiful place to live in.
