Department of Commerce and Management

Event Report: Guest Lecture on "Gender Empowering and Sensitivity"

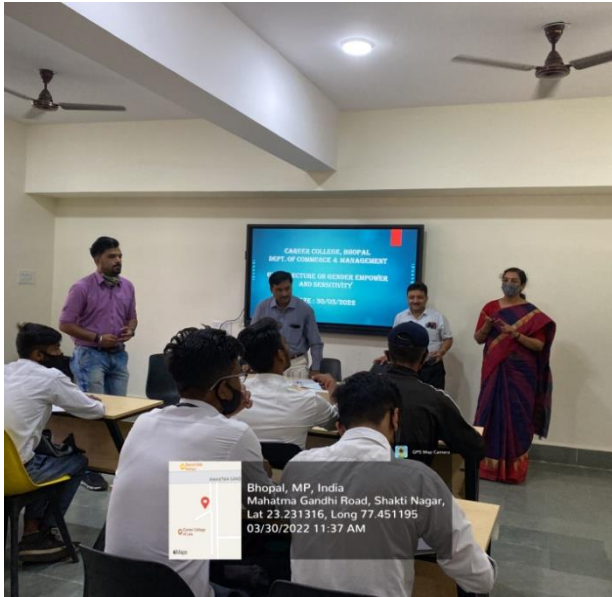

Date: 31/03/2022

The Department of Commerce & Management organized a guest lecture on gender empowering and sensitivity. The prime objective to organize this guest lecture was to sensitize the students on gender related issues. The resource person of this programme was Mr. Rajiv Jain, he put forth many issues related to gender empowering and sensitivity. His deliberations on gender sensitivity focused on how to get rid of wrong perceptions, as well as he taught many measures on how to interact with the opposite gender.

Title: Gender Sensitization Program (SPACE) on Gender: Beyond the Boundaries

Date: 3rd March 22

Objective: To aware young minds about community evils that are leading to gender inequality.

Ms. Kumud Singh, spoke about various issues that are making our society gender biased. She described the need to have citizens who have high moral and ethical standards and who know about the vital role of gender Sensitization. She actually awakens our thoughts.

Students of NSS cell performed a Nukkad Natak "**Meri Soch Mera Samman, Ye Hai Mera Adhikaar**" which introduced the participants to various societal woes like Dowry system, discrimination on the basis of colour, caste gender etc. The seminar inspired people to introspect and eradicate the day-to-day activities that are fuelling gender inequality.

Resource Person: Ms. Kumud Singh Secretary Sarokar NGO

Participants: Faculty members, UG and PG students (169 participants)

Activity: International Literacy Day -2021-22

Date: 11/09/2021

WEC and the Department of Biotechnology and Biochemistry organized a one-day camp in God Gram Sahapur Village. WEC organized a digital literacy programme for the women and girls of Shahpur Village on the theme: **"Literacy for a human-centered recovery: Narrowing the digital divide."** Under this programme to spread computer literacy, Career College donated two computers to the

government middle school and government high school. Students also motivate old and middle-aged females to learn and study online with the help of various learning apps.

Activity: International Literacy Day -2021

Date: 11/09/2021

WEC and the Department of Biotechnology and Biochemistry organized a one-day camp in God Gram Sahapur Village. WEC in association with Nutrition Society of India, organized POCS awareness programs for adolescent girls of Government higher secondary school of Shahpur . Students of WEC interacted with the girls, discuss about the PCOS symptoms. They also discuss about the importance of menstrual hygiene, use and proper disposal of sanitary napkins. Students distributed sanitary napkins to the girls and anganbadi workers to make aware about the importance of each and every female of the village. WEC also explained the importance of nutrition and also distributed nutritious food kits to the girls of middle school of Shahpura village on the occasion of nutrition week. Sejal Barmaiya & ShreyaTiwari (BSc II year) took the yoga session of primary and middle school students. Total 42 students were benefited by the program.

Activity: World AIDS Day

Date: 02/12/2021

Dept. of Biotechnology and Biochemistry in association with WEC organized Poster and slogan competition on world AIDS Day 2021 on the theme '**End inequalities and End AIDS**'. Around 40 students participated in the event. The Judge of this event was Professor Charanjit Kaur, Principal, Career College, Bhopal and highly appreciated the students and the faculties for taking the initiative to promote AIDS awareness among the masses. First prize in poster completion was bagged by Deepak Pandit B.Sc. I yr. Biotechnology, followed by Khushi Sethpilani of B.Sc. I yr. Biotechnology who bagged second prize and third prize was bagged by Pratyanshi Noel B.Sc. II yr Biotechnology and Akanksha Kashyap M.Sc. I sem Biotechnology student. In poster competition first prize was bagged by Surbhi America, M.Sc. III sem Biotechnology student and Sagar Jaiswal, B.Sc. III yr Biotechnology while second prize was bagged by Riya Singh, B.Sc. III yr Biotechnology student. This event was organized to make everyone aware of how AIDS can be prevented and how HIV

patients should be treated with humanity instead of being banned from the society. Everyone appreciated the efforts and learned how HIV spreads and how AIDS can be prevented.

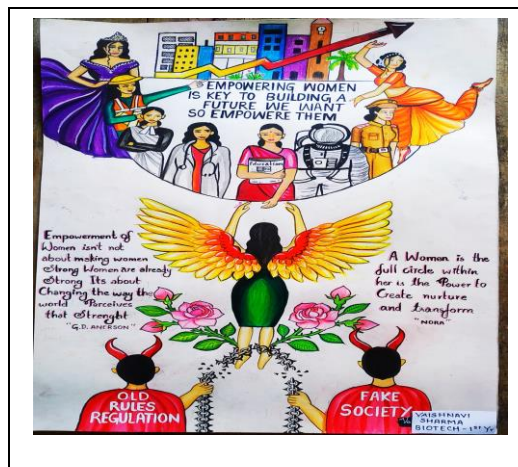

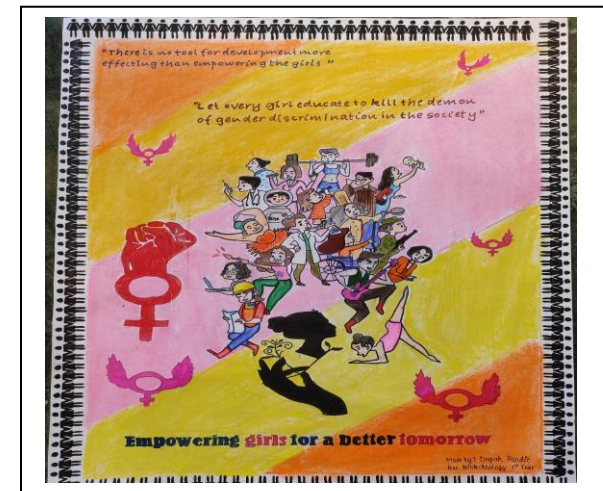

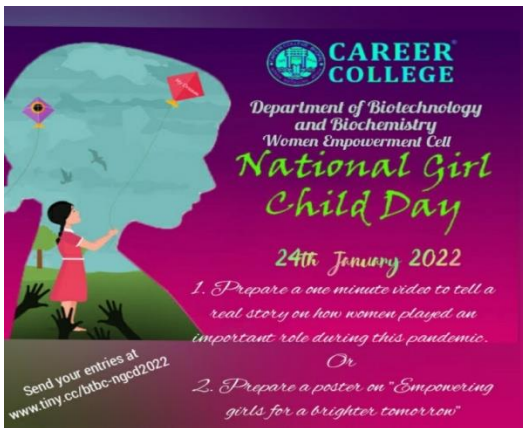

Students also distributed red ribbons and encouraged the people to wear red ribbon in order to support AIDS victims and their families. Students took pledge on this day to spread the message of various ways of preventing the spread of AIDS.
