

## **CAREER COUNCELLING/COMPREHENSIVE TRAINING PROGRAMS/GUIDANCE OF COMPETITIVE EXAMINATIONS**

Career College, Bhopal continuously supports and guides its students to excel in their respective disciplines. All the departments of the college have various mechanisms to guide its students for competitive examinations. To enhance and inculcate career information among students, the faculties are continuously providing valuable inputs. This gives them a platform to make necessary decisions regarding career alternatives together with mainstream employments. Time and again the departments organize various lectures by experts in their respective fields. Books related to preparations are available in the departments and college central library along with e-books necessary for cracking these exams. Dedicated classes are also taken in some departments for the preparation and counseling of the students for competitive examinations like CSIR-NET, ICAR-NET, IELTS, GATE, MAT, MP-PSC, etc.

The training and Placement cell in Career College organizes various career counseling through comprehensive training programs to support students in developing a career in their desired fields. The cell provides students with the resources and qualities necessary to pursue their career goals. Emphasis is laid on building the career related soft skills to take responsibility for career development.
