

## **STUDENT COUNCIL/REPRESENTATIVES**

Career College has an active Student Council with a strong representation of students in the academic and administrative bodies/committees to foster the leadership qualities through comprehensive participation and delegation.

The college administration under the aegis of Institutional Quality Assurance Cell (IQAC) nominated students for various cells and committees under the chairmanship of Head of the Institution, Heads of Academic and Administrative units, selected faculty members, and distinguished Educationists/Representatives of local committee and student representative.

Student Representative (SR) is an indispensable part of Academic and Administrative bodies/committees/cells such as the IQAC, Green Cluster, Women empowerment cell, Training and placement cell, Library cell, NSS/ Sports and Alumni Association constituted in the institution.

All the Head of concerned cells coordinate with the departments for the involvement of students in various activities. Students participate in organizing extra-curricular events, competitions and conferences honing their subject expertise in addition to their leadership skills. Cells/Committees are platforms that offer a plethora of opportunities to students to give them a voice of their own and shed their inhibitions through an enriching and engaging experience. The involvement of students in various activities, workshops and competitions enhance the communication skills, team management skills, leadership skills, time-management, resource management skills and above all builds the confidence in each student.

The Student Representatives addresses and represents students' views and grievances and act as a spokesperson to convey the matter to the concerned authorities for discussion and amicable resolution. They make the student's aware of various extension programmes such as departmental journals, wall magazines, plantation programs, safety drives, Annual day, Annual sports day, Fresher's and farewell party. It plays a very crucial role in the academic activities of every department as well as helps in organizing various trainings and activities scheduled. Furthermore, they help the teaching staffs to organize departmental seminars and workshops as an important co- curricular activity of every department. They play a dominant role to instill environmental consciousness and work towards maintenance of clean and green campus.

Thus, it contributes to a healthy interaction among students and teachers regarding academic, co-curricular and extra-curricular activities.

**Mothers Day celebration**  
**'My outstanding mother'**

WEC and Dept. of Biotechnology & Biochemistry online celebrated Mother's Day 2021 on 9<sup>th</sup> May 2021 as it was the time of COVID-19 pandemic and lockdowns. After 2020, we were reminded of how important it is to stay connected with those we love. That goes double for our mothers. Keeping that in mind, WEC shared an online link to our beloved students, students share their thoughts in the form of poem, slogan etc. and earned a certificate in the name of their mother. 167 participants participated in this event. The aim of this event was to let students express their talent and emotions and expressions on mother's day towards their mothers by various modes of expression. Student participated in the activity by aiding teachers as per the task given to them as listed below.
